To
All Stakeholders Interested in the Activity of Asarel-Medet JSC

Regarding: Commitment of the Management of Asarel-Medet JSC to managing quality, significant environmental aspects, high hazards for the occupational health and safety and energy efficiency in compliance with ISO 9001:2015, ISO 14 001:2015, ISO 45001:2018 and ISO 50001:2018

Dear Ladies and Gentlemen,

An Integrated Management System for Quality, Environmental Protection and Occupational Health and Safety in compliance with ISO 9001:2015, ISO 14 001:2015 and ISO 45001:2018 has been implemented at Asarel-Medet JSC since 2003.

Guided by our aspiration and desire to give our contribution to the National Energy Strategy of Republic of Bulgaria fulfillment which aims at energy efficiency improvement, we developed and implemented a Sustainable Energy Development System in compliance with the requirements of ISO 50001:2018 European Standard.

We initiate and support significant socio-economic causes, thus generating jobs and contributing to improving the quality of life of people and the sustainable development of society.

Our commitment includes projects in the fields of: education, healthcare, infrastructure, sports and culture, environment, the local tourism industry and population prevention and protection against disasters.

An important feature of the Management commitment is the pursuit of constant improvements, undertaking any needed corrective measures and informing the stakeholders.

Therefore, we do hereby inform you that the activities on managing quality, environmental protection, occupational health and safety hazards and managing the energy efficiency at Asarel-Medet JSC will be performed in compliance with the procedures and working instructions within the Integrated Management System in compliance with ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 and ISO 50001:2018 standards.

Should you need any additional information and you do not find such on our official internet web site: www.asarel.com, please do not hesitate to contact the company management. We do hereby confirm our commitment to reply in writing promptly to any enquires made by any stakeholders.

Feel free to raise any questions regarding quality, significant environmental aspects and occupational health and safety hazards, energy efficiency management related to the activity of Asarel-Medet JSC to the **Integrated Management System Proxy** at the company to address: 4500, town of Panagyurishte, Asarel-Medet JSC, e-mail: pbox@asarel.com.

Please, be advised that any enquiry will be considered individually and information will be provided in such a scope which satisfies the interests of the stakeholders and the company.
